A large audience of about 300 at-
tended the musical entertainment
given by the pupils of the convent
school Thursday, April 27. The pro-
gram consisted of piano solos, duets,
trios and quatuors which were ren-
dered in a manner which speaks
very highly of the pupils and their
instructors. The Brighton Broom
Brigade, a drill by sixteen boys, ac-
companied by a military march
played by E. Turgeon and T. Guertin
was a pleasing number of the pro-
gram. Special mention must be
made of "The Little Maids of Tim-
buctoo," an action song by seven
little girls, Clara Parent, Bernadine
Stevens, Muriel Barrett, Leonie Du-
four, Irene Robin, Mabel and May
Haddad, accompanied by Margaret
May Maroney. The little girls were
daintily dressed in white, wearing
red, white and blue sashes, and car-
ried fans and parasols of the same
color. This number was encored to
a great extent and the audience
were somewhat disappointed that
time would not permit the little
girls to sing their song again. The
pantomime, a drill and tableau by
twelve girls carrying Easter lilies
and dressed in long white robes, the
last tableau of which was illumina-
ted by red fuses at each end of the
stage making it a very fitting num-
ber for the close of the program.
The school realized the profits from
a sale of 360 tickets.

For streets that were cleaned one
day last week ours at the present
time are in a sad condition. The
high wind Tuesday showed us the
conditions of the back yards in town.
Refuse during the winter months
has been dumped in the back yards
and been allowed to stay up to the
present time. This is not only un-
sightly but unhealthy. Little good
does it do to clean the main thor-
oughfares if this refuse is left stand-
ing to be distributed over the streets
by winds. Not only does this refuse
and paper come from the back yards
but from people who have little or
no public spirit and civic pride in
our community. We have observed
people receiving mail matter, per-
haps in circular advertising form,
and calmly walk out of the post-
office and throw it into the street.
We realize and also receive much of
this cheap advertising in our own
mail, but the point that we wish to
get at is that it would be just as con-
venient for people to place this mat-
ter in their pockets and destroy it or
burn it on their arrival home, and
thus save such an unsightly condi-
tion as that which prevails in and
around our postoffice. Several weeks
ago a large number of the men of
Island Pond met and appointed a
clean-up committee. Up to the
present time we have heard nothing
from them in the line of clean-up

and paint-up. The time for the New
England Clean-Up and Paint-Up
Campaign was set by the National
Clean-Up Campaign Convention to
be from May 1st to May 15th. In
any state paper we may pick-up we
can readily see what other towns
and villages are doing along these
lines. The town expects some time
in August to celebrate an Old Home
Week and Chautauqua and we think
there is no better time than the pres-
ent to paint up and clean up for this
event.

Clean-Up Week.

Once again let us remember that
this is "Clean-Up Week" and that it
is the duty of each and every family
to see that their yards, both front
and back are free from anything
that may be dangerous to public
health or a source of annoyance to
their neighbors' sense of smell or
sight. Let us be particularly careful
this year to "clean up" so that when
our city cousins visit us later in the
season there will be no cause for
complaint of the unsanitary condi-
tion of our town. See that this is
done before the health officer comes
around.

Death of Mrs. John Merrill.

Mrs. John Merrill passed away
early Thursday morning after an ill-
ness of several months duration.
Mrs. Isabelle Frechette Merrill was
born in St. Nicholas, P. Q., and was
seventy-three years and five days
of age at the time of her death.

Her early life was spent in Canada,
she coming to Norton, Vt., to join
her parents, who had the year pre-
vious settled there, a young widow
with one son, two young children
and her husband, B. Morin, being
buried in Canada.
She later married John Merrill of
Norton, from which marriage four
children were born, two having died
in infancy and two now living, Har-
riet, Mrs. David E. Vachon, and
John T., who with the older son,
Fred, who arrived a few days pre-
vious to her death, ministered to her
every want and doing all that loving
hands and hearts could do for her
comfort to the last.

Mrs. Merrill was a woman of ster-
ling qualities, ever mindful of her
home and loved ones entrusted to
her care, and it can well be said of
her, "she hath done what she
could."

She leaves to mourn her loss an
aged husband, John Merrill, a son,
Fred Morin of Kresse, Va., a son,
John T., of this place, and daughter,
Mrs. David E. Vachon of Gorham,
N. H., and two sisters, Mrs. Sarah
Lapoint of Chicago, Ill., and Mrs.
Virginie Cantin of Norton, Vt., with
three brothers, Remi, Michael and
Camille Frechett.

Those from out of town to attend
the funeral which took place at St.
James the Greater church Saturday
morning, were Fred Morin of
Kresse, Va., Mr. and Mrs. F. Can-
tin and Michael Frechette of Norton,
Willie and Amedee Cantin of Guild-
hall, David Vachon, sr., and David
Vachon, jr., and Amedee Vachon of
Gorham, N. H.

Card of Thanks.

We in this way wish to express
our appreciation and heartfelt
thanks to our friends and neighbors
who so willingly assisted us in many
ways and for the many kind acts
shown us during our recent bereave-
ment and also the I. O. F. for the
beautiful floral tributes, and may
the Lord shower His blessings upon
these people who so ably assisted us.

campaign is on and practically every one is in it.
ARE YOU? The coming week should see every one
busy. Remove rubbish, trim lawns, plant flowers
and shrubs. Tear down old fences. Paint every
thing needing it. Put your self in the visitor's place
and look your property over from his point of view.
It may look different. You may see some things
which should be done. We plan to have everything
you may need such as **Flower and Garden Seed,**
Lawn Grass Seed, Rubber Hose, Garden Tools,
Wheel Barrows, Lawn Mowers, \$3.50 to \$6.50
PAINT for Outside work—Flat tone for walls,
